

Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning equipment. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have more than 60 years of experience successfully developing, marketing, manufacturing, designing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are committed to providing top quality and new design concepts in order to meet the diverse needs of their clients.

In their product development; TREK Cleaning Machines continually provides fresh design concepts. They enjoy offering items which energize both their partners and their dealers and provide production gains to their clients.

The TREK team of employees enjoys new challenges and new tasks. They are really proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' requirements and skills along with their understanding of cleaning applications, along with owners' strong desire to dramatically lower expense through productivity gains.

The staffs at TREK and their dealer-partners are strongly committed to having both technical support and parts obtainable when it is required. Their high service devotion is one of the core values in their customer service. Keeping their clients' cleaning machinery running and ready everyday is top priority. The company's top of the line technology delivers reliable machinery that ultimately lessens your cost of cleaning. The price, the service and the product all work as one to make them an industry leader.
