Advance-Nilfisk Parts - Imagine how long and tedious it will be to tidy up right after a party, without help from equipment. Previously, the dust from upholstery and carpets had to be beat out of them manually; brushes, cleaning cloths and brooms were the leading cleaning products during that time.

The man who established Nilfisk-Advance, P.A. Fisker, started out as an electrical engineer who really liked to work on electrical motors. After founding his company during the year 1906, he started to produce motors to drive machine tools, drills, coffee grinders and fans. Mr. Fisker's dream from the start was to own a global company selling goods internationally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning trade. Mr. Fisker invented an amazing, ground breaking vacuum cleaner which could be operated by one individual as it just weighed 17.5 kilos! This creation came in a time where many cleaning equipment were huge and needed 4 or more operators, hence, the Nilfisk C1 transformed everything and developed the method we clean forever. The mastermind behind these very first cleaning equipment remains unparalleled. Cleaning machines provide a brilliant solution to an ongoing problem; stuff get filthy and must be cleaned regularly, without a lot of effort.

Little by little, the business Nilfisk-Advance grew throughout the years. In the early 1980's the company expanded more rapidly when the business became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance forward within the trade, aiming to be an active international player in producing professional cleaning machines. Nilfisk-Advance is presently found in every part of the world by gradually acquiring numerous small companies to be able to grow their product selection and presence in new markets. They are proud to offer a variety of cleaning solutions to suit each requirement.
